

# GLOBAL SQUAD COACHES

**Global Squad has a 3 to 1 player to coach ratio.** This is one of the biggest selling points to the program. No other program features a player to coach ratio this low. This ensures each Global Squad player will receive focused instruction throughout camp.

The Global Squad player to coach ratio is unmatched, but the quality of our coaches is also exceptional because **each coach is required to meet at least one of these three prerequisites.**

- Coached at the college level.
- Played at the college level.
- Played at the professional level.

In some cases our coaches have done all three.

We ensure our players don't just receive focused attention, but they receive quality attention from elite coaches.

The Global Squad coaching staff combines for 140+ years of playing experience & 200+ years of coaching experience.

We have coaches from high academic universities like Stony Brook University, Johns Hopkins University, & Muhlenberg College.

We have coaches from prestigious international clubs spanning the Globe, including Spain, Denmark, Shanghai, Dubai, & Singapore.

This diversity & quality experience has been invaluable to the growth & success of each Global Squad player.
