

# ACADEMIC ELITE

The Global Squad staff understands the importance of academics when trying to prepare our players for college. "Student" is the key word in **STUDENT**-athlete. We have programs & support to help our players get academically eligible.

- Global Squad staff researches & targets schools offering degrees each of our players want to study.
- Global Squad has long standing relationships with some of the top academic schools in the world (see below).
- Global Squad players have been recruited by nearly every school ranked in the top-100 for academics.
- Global Squad players get recruited to play NCAA basketball, but more importantly, they also earn a world-class education.
