

## EXPOSURE & RECRUITING

Global Squad has helped 150+ international basketball players get recruited to play college basketball. Global Squad's success comes from experience & a perfection of the recruiting process.

### TOURNAMENTS

Global Squad plays in three of the biggest exposure events of the summer. These events attract hundreds of college coaches & the best high school competition in the U.S.

### COACHES NETWORK

Global Squad has developed a reputation with U.S. coaches for having talented international players. Our coaches network is vital to the recruiting process. Players that join Global Squad immediately plug themselves into this network of coaches.

### RECRUITING VIDEOS

Global Squad players receive a professionally edited video to send college coaches. Our video productions have been extremely useful in getting players recruited because we know what coaches look for.

### SPORTS RECRUITS

Global Squad players will be given a SportsRecruits.com profile. This online platform allows players to connect with any college basketball coach in the U.S.
